Mrs. S. Rohde
Fac. Manager
Wisconsin Telephone Company
918 N. 26th St. - Rm 32
Milwaukee, WI 53233

Dear Shirley,

Inward WATS is being offered for the U.S. Virgin Islands effective September 15, 1979.

The code 800 524 has been assigned to the V.I. for their service and Jacksonville 3 (JCVLFCL03T) will serve as the terminating screening office. The LNB code for 800 524 will be the 16B and since the 48 contiguous states will all be in band 2 (Alaska and Hawaii are not included in the filing), 162 will be delivered to Jacksonville 3. The appropriate information will be posted in ARGIS and the TRG as soon as is practical.

It will also be necessary at via (or tandem screening) offices to open 082 524 with the appropriate code conversions if required.

These routing translations should be completed by August 31, 1979 in all offices doing anything more than 3D translation on 800. The testing will take place from 9/1 to 9/14.

Sincerely,

Bill

W. B. Plossl
