

# 2011 Chevrolet Sonic Air Filter (chinese name: 空气滤清器) Replacement

Replace the 2011 Chevrolet Sonic Air Filter.

Written By: Stevenshu

## INTRODUCTION

Replace the 2011 Chevrolet Sonic Air Filter.

### TOOLS:

- T25 Torx Screwdriver (1)

## Step 1 — air filter (chinese name: 空气滤清器)

- unlock the t25 screw (拧开型号为t25的内六角螺丝)
- push left to loosen the slot.(向左推来松开卡槽)

## Step 2

- open the box and take out the old air filter.(将空气滤清从箱子里取出)
- clean the box and replace the new one.(清洗箱内，然后将新空气滤清放入)

To reassemble your device, follow these instructions in reverse order.
