

# 2011 Toyota Prius Smart Key Teardown

Look inside the 3-button Smart Key for a 2011 Toyota Prius.

Written By: Julian Bartolone

## INTRODUCTION

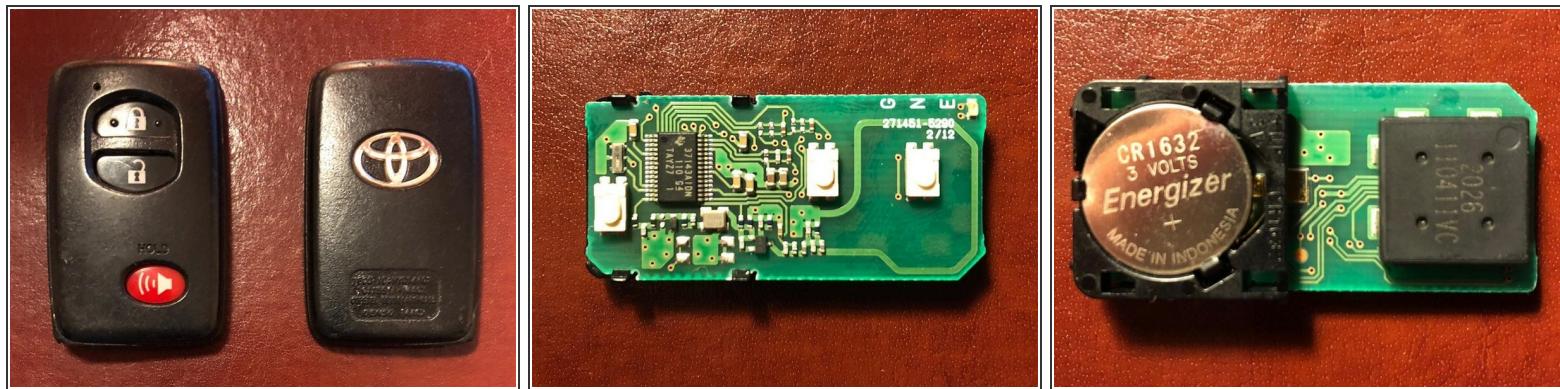

Hi y'all, here is a painfully rudimentary teardown and analysis of my 2011 Toyota Prius 3-button Smart Key.

## PARTS:

- 2011 Toyota Prius Smart Key (1)

## Step 1 — First and Last Step

- Here is the meat of the system. The circuit, battery, and plastic case. Not shown is the inside of the case (just a spot for the circuit) and the physical backup key (not analyzed).
