INTRODUCTION

If your **ASUS G73JH-BST7**, or **ASUS G73 Gaming Series Laptop** can no longer hold a charge, it likely requires a battery replacement. By using your device frequently, the battery life can deplete overtime.

Swollen batteries can be extremely dangerous but can also cause damage to your ASUS. Take caution when removing the battery if you suspect this.
Be sure to turn off your device and begin the replacement.

Step 1 — Battery

- Flip the computer over, so that the bottom is facing up.

Step 2

- Slide the two tabs away from the battery.

ⓘ The left tab will lock, but the right tab must be held away from the battery.

Step 3

- Use one hand to hold the non-locking tab in place, and use your other hand to pull the battery away from the computer.

To reassemble your device, follow these instructions in reverse order.
