

ASUS PadFone X Rear Case Replacement

Here, the rear case of the phone is replaced.

Written By: John Kue

INTRODUCTION

This guide will show how to remove the back cover, with the integrated antenna, to replace it.

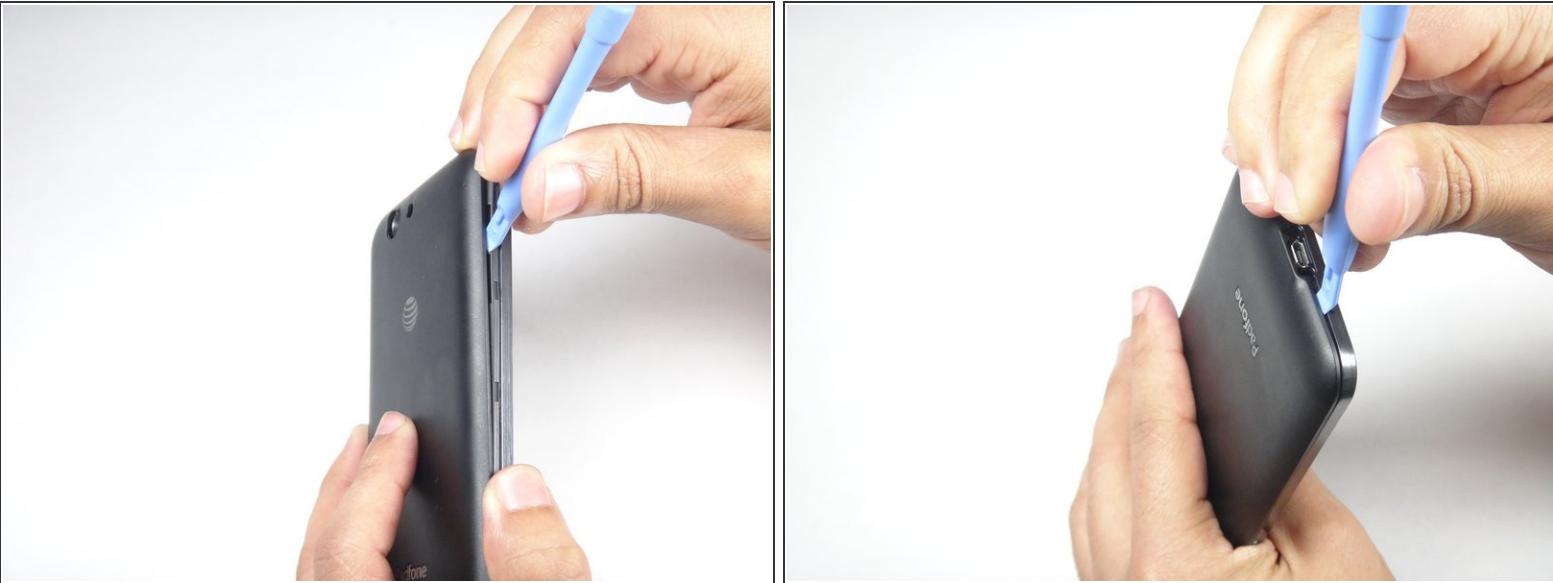

TOOLS:

- [iFixit Opening Tools \(1\)](#)

PARTS:

- [PadFone X Antenna \(1\)](#)

Step 1 — Remove the back panel.

- Using the blue plastic opening tool, insert the tip into the crease between the back cover and the phone and pry it upwards.
- Work your way around the phone until the entire back cover is loose.

Step 2 — Antenna replacement

- Replace the back cover with the new one; the antenna is integrated with the back panel.

To reassemble your device, follow these instructions in reverse order.
