

Aarp RealPad MA7BX2 Speakers Replacement

This guide will show you how to replace the Aarp RealPad MA7BX2 speakers.

Written By: Jordan Alonso

 **TOOLS:**

- [Tweezers \(1\)](#)
- [Suction Handle \(1\)](#)
- [iFixit Opening Tools \(1\)](#)

Step 1 — Speakers

- Loosen the back cover using the suction cup.
- Pull up on all four corners of the back with the suction cup.

Step 2

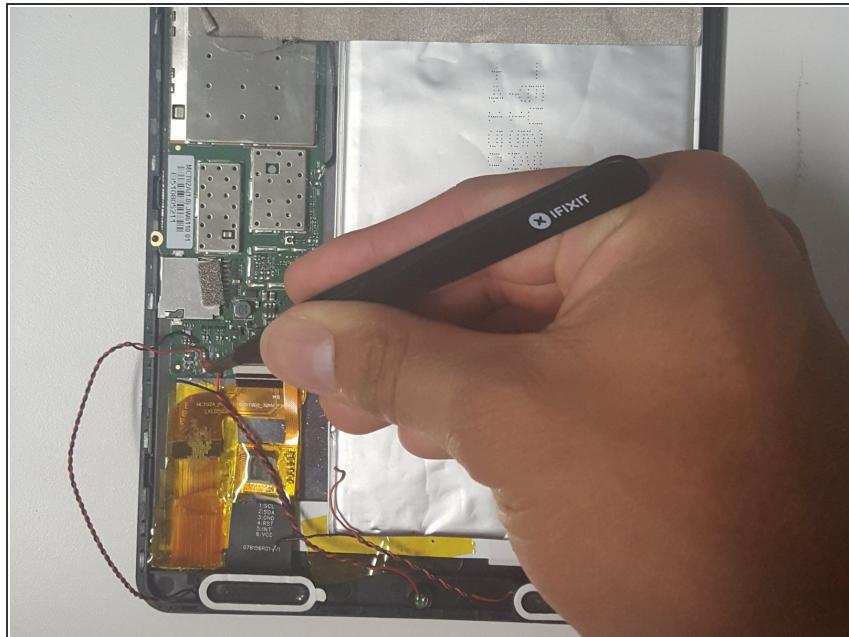

- Gently place the small opening tool in the crevice created by loosening the back.
- Slide the opening tool around the edges of the device.
- Wedge it open using the plastic opening tool.

Step 3

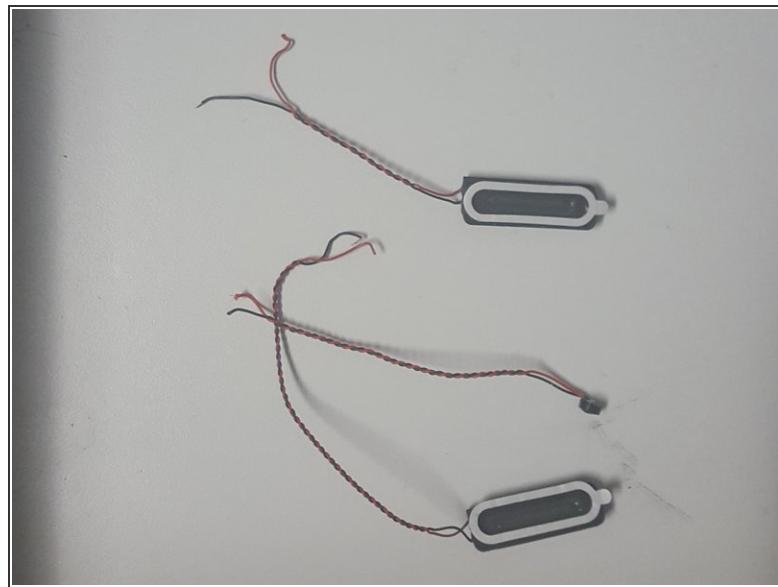

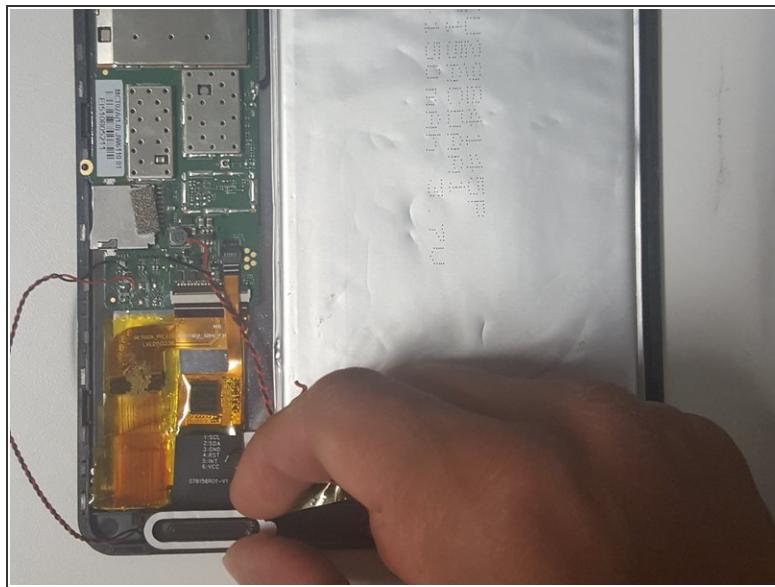

- Gently pull off the black tape.

Step 4

- Remove the wires with the tweezers by pulling them upward.

Step 5

- Pull the speakers upward with you hand.

To reassemble your device you will need to solder the wires back in position and then follow the other steps in reverse order.
