

# Acer Iconia B1-710 Battery Replacement

Replacing the battery in the Acer Iconia B1-710

Written By: Ryan Weber

## INTRODUCTION

The tutorial will show the user how to replace the battery on your Acer Iconia B1-710

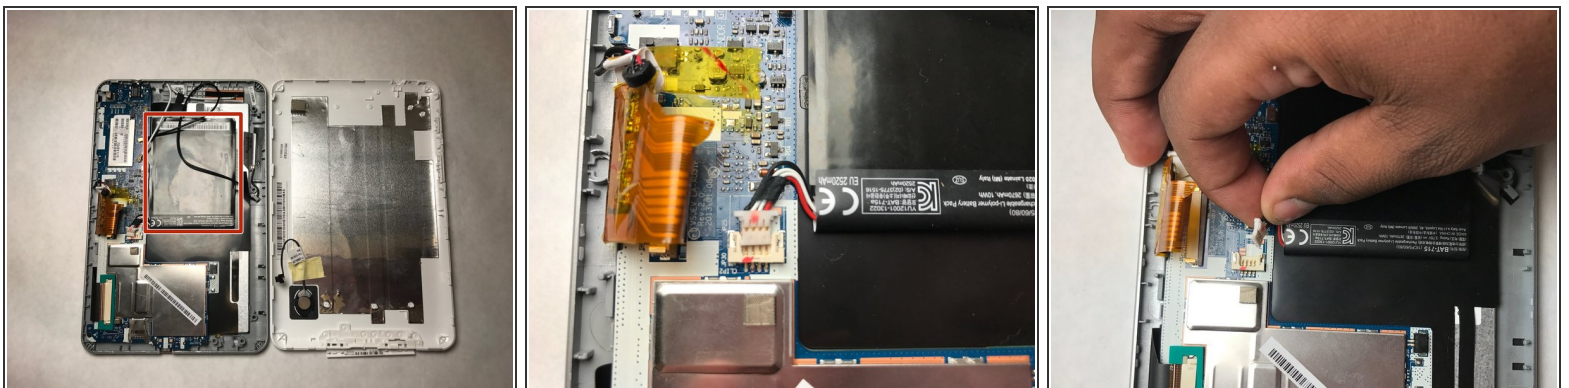

## Step 1 — Battery

- Open back cover by prying casing off.

⚠ Careful to not pull pieces apart aggressively. There is a wire that could break.

## Step 2

- Unplug the battery from the motherboard.

## Step 3

- Take the battery out.
- ⓘ The battery is lightly glued in, so there may be some difficulty getting it out.

To reassemble your device, follow these instructions in reverse order.
