

Acer Iconia One 8 Back Panel Replacement

This will show a step by step guide of how to remove the Back Panel on your Acer Iconia One 8 B1-850.

Written By: Josh Cooper

INTRODUCTION

This will show a step by step guide of how to remove the Back Panel on your Acer Iconia One 8 B1-850.

TOOLS:

- [iFixit Opening Tools](#) (1)
-

Step 1 — Back Panel

- Use an opening tool to pry open the small crevice in your tablet. Be sure to do this as gently as possible as to not crack the screen of your device.

Step 2

- When the Back Panel has been removed, it should look something like this. After this you are able to replace a new back panel for your old one.

To reassemble your device, follow these instructions in reverse order.
