

Acer Iconia Tab 8 A1-860 Rear Case Replacement

Replace the rear case.

Written By: Geoff Wacker

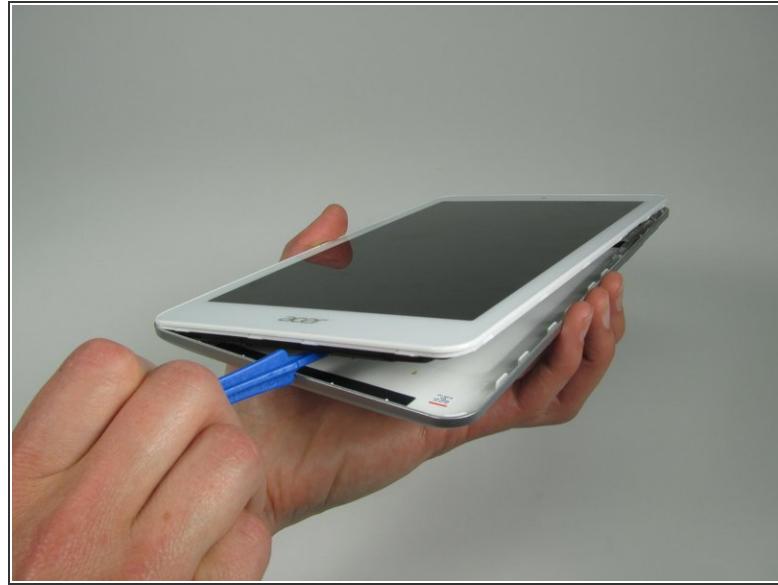

INTRODUCTION

Use this guide to replace the rear case on your Acer Iconia Tab 8 A1-860.

TOOLS:

- [iFixit Opening Tools](#) (1)

Step 1 — Rear Case

- Insert the plastic opening tool into the seam between the back case and the display.
- Work the plastic opening tool around the seam until the rear case separates from the display.

Step 2

- Separate the rear case and place the tablet face side down.

To reassemble your device, follow these instructions in reverse order.
