

# Acer TravelMate 2300 Battery Replacement

This guide teaches you how to replace the battery in an Acer TravelMate 2300 series laptop.

Written By: Joseph Sctbunio

## Step 1 — Remove battery

- Flip the laptop upside-down and face the battery towards you.
- Move the right latch to the right. You can let go, as it locks in each position.
- Move the left latch to the left. Don't let go, and, with the other hand, pull the battery out.

To reassemble your device, follow these instructions in reverse order.
