INTRODUCTION

Battery life of any device will eventually shorten over time. This guide will show you how to replace the battery of the Asus A52F XE2.

Step 1 — Battery

- Place the laptop face down with the battery facing away from you.

- Locate the two buttons next to the battery.

- Slide the right slider to the unlocked (red) position.

Step 2

- Hold the left button to the left.

- Slide the battery with your other hand away from you and it should disconnect.

To reassemble your device, follow these instructions in reverse order.
