INTRODUCTION

This guide shows how to remove/replace the battery of an Asus U50F-RBBAG05.

Step 1 — Battery

- Turn the laptop over so the bottom is facing up.

- Slide the tabs on either side of the battery away from the battery, toward the edges of the laptop.

- Slide the left tab to the left to lock it into the unlocked position. Red showing next to the tab signifies that it's unlocked.

- (i) You will have to hold the right tab to the right to keep it unlocked while removing the battery.

Step 2

- Hold down the tab on the right while sliding the battery out.

- Remove the battery.
