INTRODUCTION

This guide shows how to remove the battery for the Asus X550.

www.iFixit.com

Step 1 — Battery
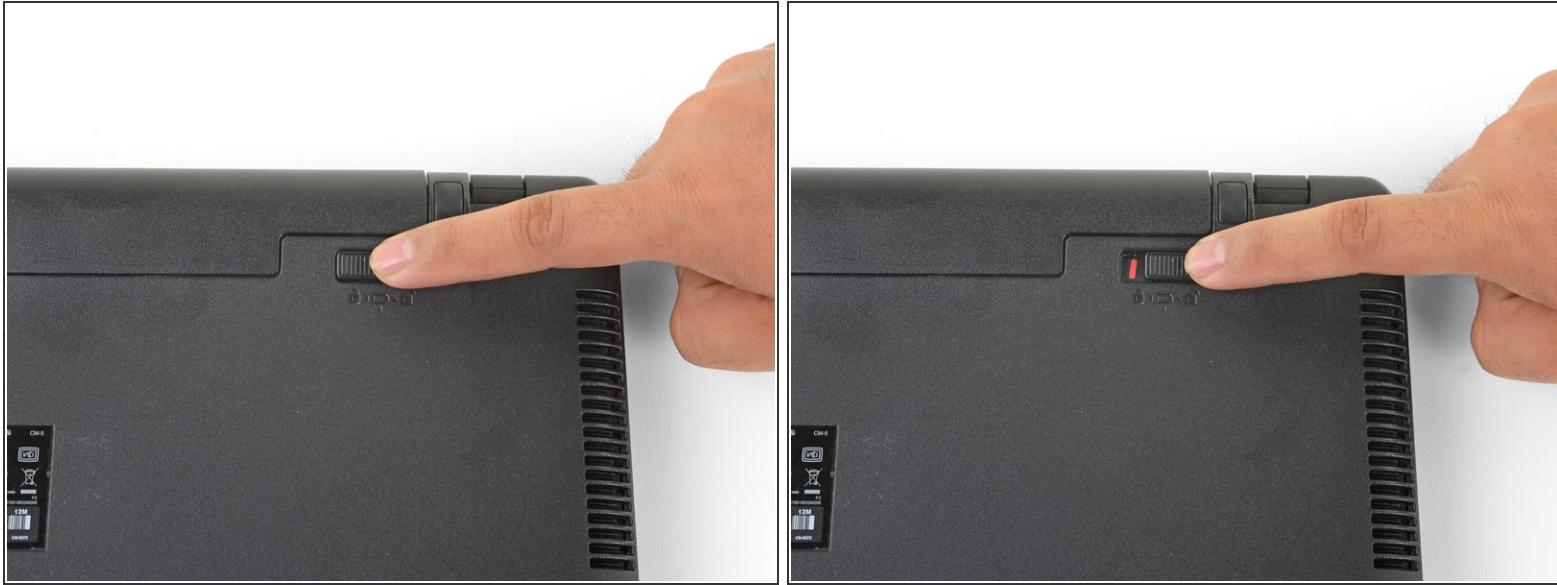

(i) The battery is held in place by two latches.

● Flip the laptop over so that the underside faces up.

● Slide the right battery latch outwards into the unlock position.

Step 2

● Use your finger to slide and hold the left latch outwards in the unlock position.

● Slide the battery out from its recess away from the latches.

⚐ When you replace the battery, remember to re-lock the right latch by sliding it inwards.
