Audiovox CDM-8910 Battery Replacement

This guide will inform the reader how to access and replace/install the battery for the Audiovox CDM-8910

Written By: Sean Green

Step 1 — Battery

- Locate the back side of the phone.

- The battery is the large main compartment (red box).

Step 2

- Use your finger to slide the latch (circled) upwards.

- While holding the latch up, pull the battery off the phone.
