Step 1 — Battery

- Obtain a new battery pack from the [Bissell store](#) or by [contacting support](#) if your device is still under warranty.

Step 2

- Turn the power switch to the OFF position.

- Gently turn the unit over.

Step 3

- Press on the 2 circles of the battery cover.

- Slide the battery cover toward you.

- Remove the old battery

- (i) Do not remove the plastic sleeve from the battery pack.

To reassemble your device, follow these instructions in reverse order.
