

BlackBerry Z10 Battery Replacement

This guide shows you how to replace the battery in a BlackBerry Z10 phone.

Written By: Emie Lou Cruz

INTRODUCTION

Use this guide to replace the battery on your BlackBerry Z10.

Step 1 — Battery

- Turn the phone over so that the back cover faces up.
- Locate the groove at the bottom center of the phone.
- Press the groove with your thumb to release the edge of the case from the phone.

Step 2

- Use your thumb and index finger to carefully open the sides of the phone.
- Start from the bottom and work your fingers up along the sides of the phone until the back cover is completely separated from the body of the phone.

Step 3

- Lift the bottom corner of the battery with your fingers.
- Remove the battery from the body of the phone.

To reassemble your device, follow these instructions in reverse order.
