

Blackberry KeyONE Speaker Replacement

Open the phone and replace the earpiece speaker.

Written By: raven

TOOLS:

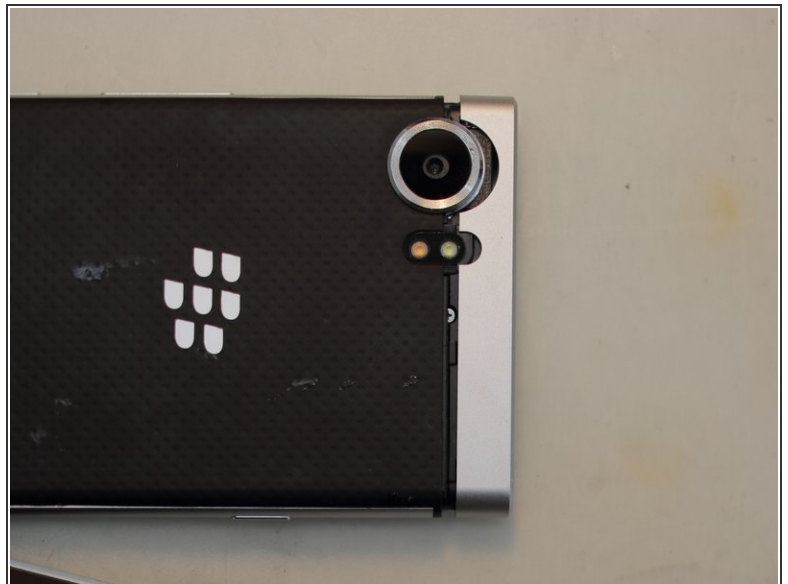

- [Phillips #0 Screwdriver](#) (1)
 - [iFixit Opening Picks set of 6](#) (1)
-

Step 1 — Remove top cover

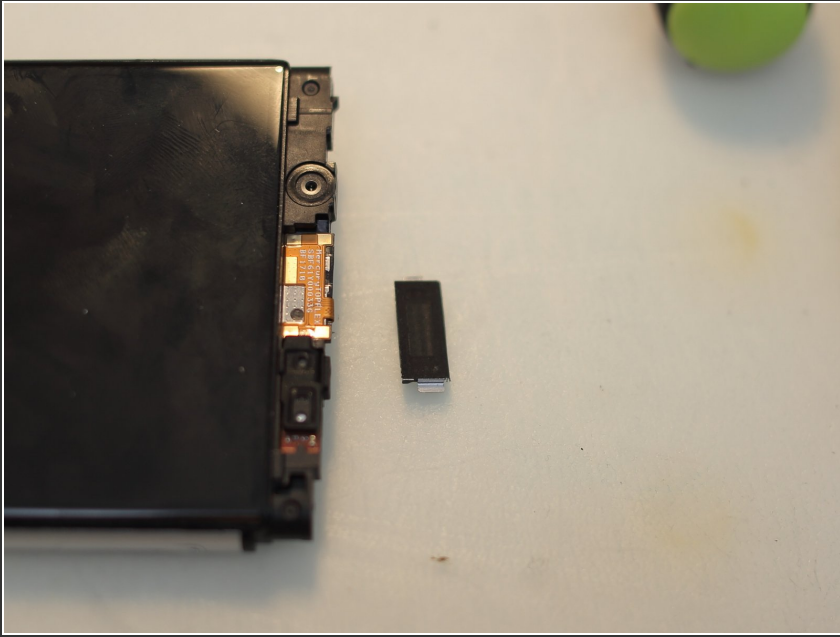

- Carefully remove the top plastic cover. It is hold in place by adhesive.

Step 2 — Remove upper frame

- Remove the two Philips #0 screws that hold in place the top of the phone frame and slide it off.

Step 3 — Replace speaker

- Now the speaker just slides out.

To reassemble your device, follow these instructions in reverse order.
