

# Blackberry RIM 7250 Battery Replacement

This guide will show how to remove battery in the Blackberry RIM 7250.

Written By: Noah Eckert

## INTRODUCTION

This guide will be useful in replacing the battery for the Blackberry RIM 7250. For this guide, you will not need any special tools.

## Step 1 — Battery

- Push the release button down and away from the device.
- Slide the cover off toward the bottom of the device, revealing the battery compartment.

## Step 2

- Place your finger in the groove next to the battery.
- Lift your finger up to eject the battery from the battery compartment.

## Step 3

- Remove the battery from the compartment.

To reassemble your device, follow these instructions in reverse order.
