

# Dell Inspiron 15 3565 Display Assembly Replacement

Written By: Terrence15

## INTRODUCTION

In this guide, we will be showing you how to remove and replace the Display Assembly.

### TOOLS:

- Phillips #0 Screwdriver (1)

## Step 1 — Remove the Screws

**WARNING:** Before working inside your computer, read the safety information that shipped with your computer and follow the steps in [Before Working Inside Your Computer](#). After working inside your computer, follow the instructions in [After Working Inside Your Computer](#).

- Remove the three screws (2.5x8) that secure the display hinges to the palm-rest assembly.

## Step 2 — Open the Display Hinges

- Open the display hinges to an angle of 90 degrees.

## Step 3 — Peeling the Tape

- Peel the tape that secures the display cable to the palm-rest assembly.

## Step 4 — Open the Latch

- Open the latch and disconnect the display cable.

## Step 5 — Open the Latch

- Open the latch and disconnect the display cable.

## Step 6 — Note the Routing

- Note the display cable routing and remove the display cable from the routing guides on the palm-rest assembly.

## Step 7 — Note the Antenna Cable

- Note the antenna cable routing and remove the cable from its routing guides on the palm-rest assembly.

## Step 8 — Open the Palm-Rest Assembly

- Open the palm-rest assembly at an angle and slide it off the display assembly.

## Step 9 — Placing the Display Assembly

- Place the **NEW** display assembly on a clean, flat surface.

## Step 10 — Placing the Palm-Rest Assembly

- Place the palm-rest assembly on the display assembly.

## Step 11 — Close the Hinges

- Close the display hinges and align the screw holes on the display hinges with the screw holes on the palm-rest assembly.

## Step 12 — Replace the Screws

- Replace the three screws (2.5x8) that secure the display hinges to the palm-rest assembly.

## Step 13 — Routing the Antenna Cables

- Route the antenna cables through the routing guides on the palm-rest assembly.

## Step 14 — Connecting the Display Cable

- Connect the display cable and close the latch to secure the cable.

## Step 15 — Route the Display Cable

- Route the display cable through the routing guides on the palm-rest assembly

## Step 16 — Adhering the Tape

- Adhere the tape that secures the display cable to the palm-rest assembly.

## Step 17 — Close the Display

- Close the display and turn the computer over.
