Dell Inspiron 15 M5030 Battery Replacement

How to remove the battery on a Dell Inspiron 15 M5030.
Written By: Terrence15

INTRODUCTION

In this guide, we will be showing you how to remove and replace the Battery.

www.iFixit.com

Step 1 — Turn over the Computer

⚠️ WARNING: Before working inside your computer, read the safety information that shipped with your computer. Follow the instructions in <u>Before You Begin.</u>

⚠️ CAUTION: To avoid electrostatic discharge, ground yourself by using a wrist grounding strap or by periodically touching an unpainted metal surface (such as a connector on your computer).
● Shut down the computer and turn it over.

Step 2 — Sliding the Lock Latch

● Slide the battery lock latch to the unlock position.
