Step 1 — Battery

- Locate the battery compartment on the back of the Game Boy Color.

- Push down on the tab and hinge the cover downwards and outwards to remove the battery cover.
Step 2

- Remove the batteries from the battery compartment.

Step 3 — Back Housing

● Using a Y1 screwdriver, remove the six screws on the back of the device as pictured. The bottom two screws are located inside of the battery compartment.

Step 4

● Gently lift and separate the back housing from the rest of the device. Now you've got the back housing out!

To reassemble your device, follow these instructions in reverse order.
