

# Garmin Nuvi 1390LMT Touch Screen Replacement

This guide will show you how to replace the touch screen on a Garmin Nuvi 1390LMT.

Written By: Trey Ulsh

## INTRODUCTION

This guide will show you how to disassemble the Garmin Nuvi 1390LMT GPS to replace the touch screen.

### **TOOLS:**

- [T5 Torx Screwdriver](#) (1)
- [iFixit Opening Tools](#) (1)

## Step 1 — Touch Screen

- Snap the plastic cover off using a plastic opening tool.

## Step 2

- Remove the four black 11 mm T5 torx screws.

## Step 3

- Pop the screen cover off with a plastic opening tool.

## Step 4

- Gently pull the wire ribbon connecting the screen to the logic board from the plug.

**⚠** Be careful when unplugging the wire ribbon. It is very fragile.

To reassemble your device, follow these instructions in reverse order.
