

Garmin vívofit 2 Wristband Replacement

This guide demonstrates how to replace the wristband on a Garmin vívofit 2.

Written By: James Hickey

INTRODUCTION

To remove the device from the wristband, no extra tools will be necessary. This guide will explain how to safely remove the device.

PARTS:

- [Garmin vívofit 2 Wristband](#) (1)
-

Step 1 — Wristband

- Carefully peel back the wristband so the bottom of the device is facing you. Then, pull out the device from one side (on the short edge) and take the device out of the wrist band.

To reassemble your device, follow these instructions in reverse order.
