# GoPro HD Hero2 Battery Replacement

GoPro HD Hero2 battery replacement.

Written By: David Hodson

INTRODUCTION

Replace your dying GoPro battery with a fresh one. If you're ready to jump off a mountain, your battery should be too!

| 🔧 **TOOLS:**	⚙ **PARTS:**
• iFixit Opening Tools (1)	• GoPro Hero2 Replacement Battery (1)

Step 1 — Back Cover

- Place your thumb on the indentation in the back case on the side of the GoPro.

- Gently press down with your thumb and lift the back cover away from the case to remove it.

Step 2 — Battery

- Slide a plastic opening tool between the battery and the rear case.

- Gently pry the battery up and out of the rear case.
