

GoPro Karma Harness Replacement

A video tutorial on how to change out the harness on a GoPro Karma drone.

Written By: eCuration

INTRODUCTION

Your Karma comes with a Harness that fits either HERO5 or HERO4 cameras. In this video, we'll show you how to replace the Harness.

TOOLS:

- [2.5mm Hex Key](#) (1)

PARTS:

- [GoPro Karma Replacement Parts](#) (1)

To reassemble your device, follow these instructions in reverse order.
