INTRODUCTION

Use this guide to replace a laptop battery which quickly runs out power.

PARTS:

- [HP MU09XL Replacement Laptop Battery \(1\)](#)

Step 1 — Battery

- Ensure that the laptop is completely powered off, then flip it over to identify the battery latch located towards the bottom of the back panel.
- Push the latch to the unlocked position.

Step 2

- Gently take out the battery.

To reassemble your device, follow these instructions in reverse order.
