

# HP Pavilion 15-d017cl Battery Replacement

This guide will demonstrate how to remove and replace the battery on the HP Pavilion 15-d017cl.

Written By: Alana Dawson

## INTRODUCTION

If you're experiencing problems with your computer turning on or holding a charge, consider replacing the battery.

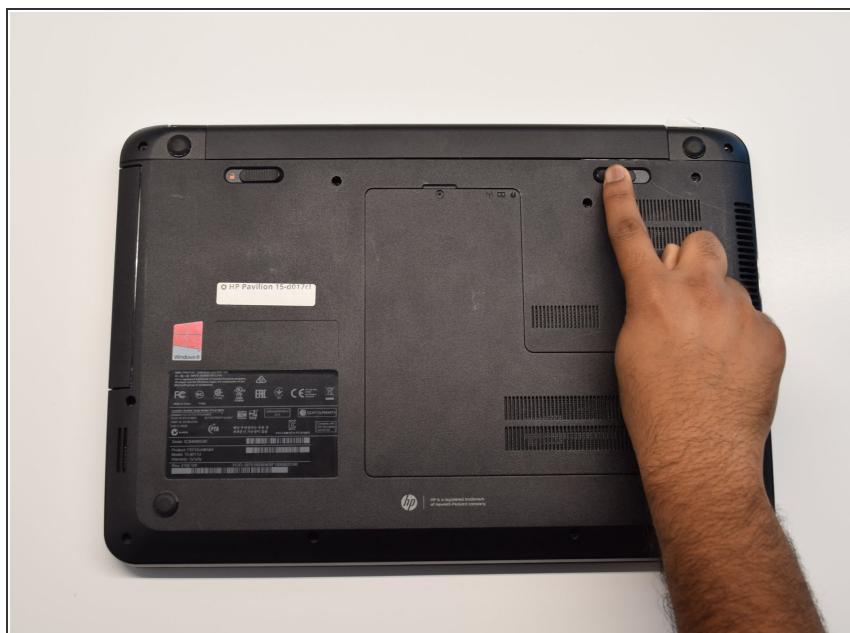

This guide will show how to remove the battery on the HP 15-d017cl. You will not need to perform any difficult tasks or need any tools to complete this guide.

## Step 1 — Battery

- To unlock the top left latch, place your finger on the black latch and slide toward the center of the computer.
- You do not need to hold this latch when removing the battery.

## Step 2

- To unlock the top right latch, slide the black latch towards the center of the computer.

## Step 3

- ⓘ The right latch is spring loaded, hold the latch towards the center of the computer.
- To remove the battery, pull the battery bar away from the computer.

To reassemble your device, follow these instructions in reverse order.
