INTRODUCTION

This guide provides instruction on how to replace a broken DVD Drive in the HP Pavilion G7-2289wm laptop.

🔧 TOOLS:

- Phillips #0 Screwdriver (1)

This document was generated on 2019-10-04 01:17:50 PM (MST).
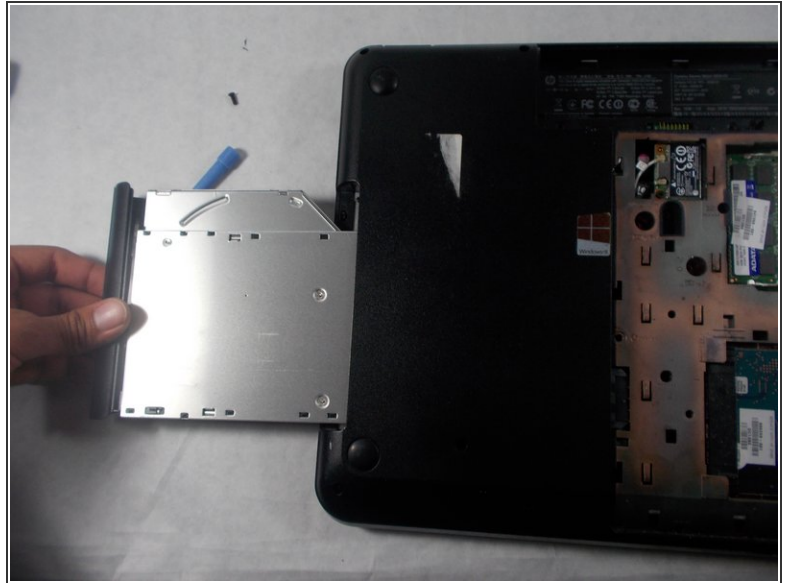

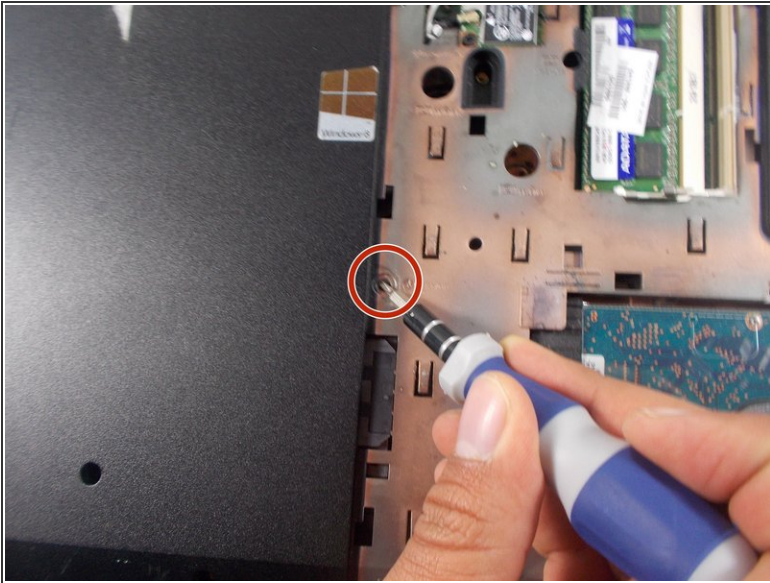

Step 1 — Battery

- Slide the battery release latch to the left, towards the center of the laptop.

- Lift the battery up, and pull towards the center of the laptop to remove it.

Step 2 — DVD Drive

- Loosen the screw that secures the service cover.

- Lift the edge of the service cover up and forward until it's at an angle to remove it.

Step 3

- Remove the screw that secures the DVD drive to the laptop.

- The DVD drive will now be able to slide out from it's DVD Drive bay.

To reassemble your device, follow these instructions in reverse order.
