

# HP Pavilion Notebook 15-ab293cl Battery Replacement

Replace faulty battery to improve battery life.

Written By: Leonardo Ixehuatl

## INTRODUCTION

Batteries have a limited life. When you notice that your battery is having a shorter life, it is necessary that you replace the battery.

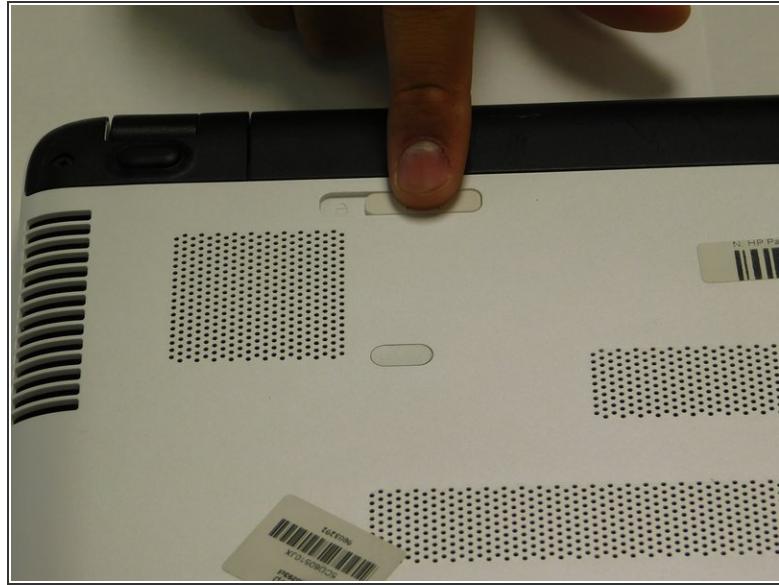

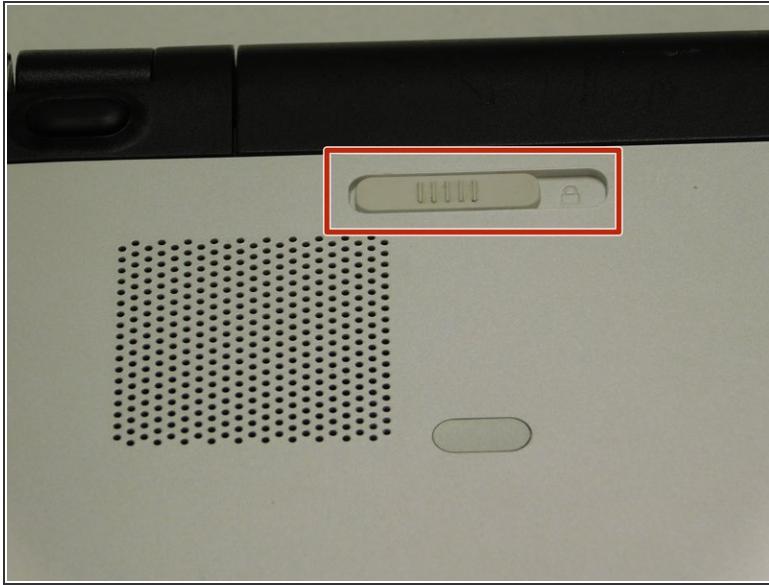

### **TOOLS:**

- Fingers (1)

### **PARTS:**

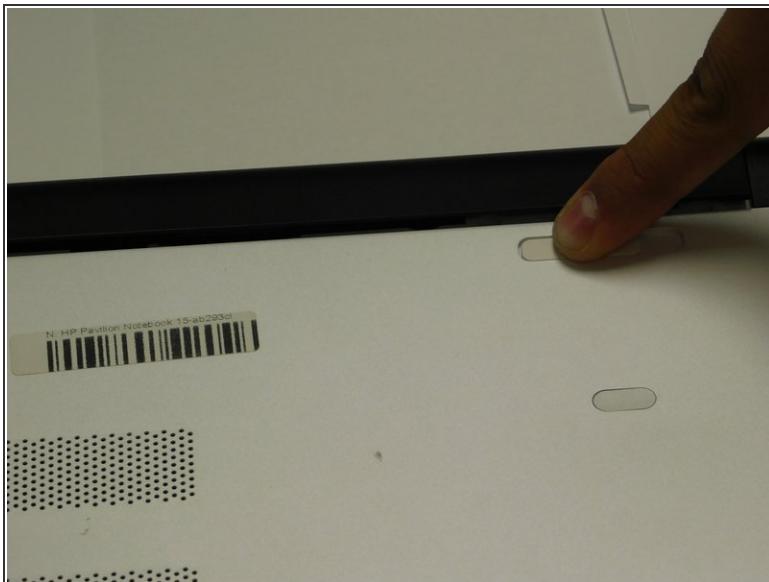

- HP KI04 Replacement Laptop Battery (1)

## Step 1 — Battery

- Unlock the battery by moving the tab to the unlock position.

## Step 2

- Move the second tab until the battery pops out.

To reassemble your device, follow these instructions in reverse order.
