INTRODUCTION

This guide will show you the steps to remove and replace the battery in your HP Pavilion dv7-6163us laptop. Replacing the battery might be needed if you have an old battery that may not hold a charge well.

Step 1 — Battery

- Turn the device over so that the bottom is facing up.

Step 2

- Place your finger on the battery release latch and slide it to the right to release the battery.

(i) The battery will pop up after sliding the latch.

Step 3

- Firmly grasp the battery and remove it from the device.

To reassemble your device, follow these instructions in reverse order.
