

HP Pavilion dv9000 Battery Replacement

This guide will inform users on how to replace the battery in the dv9000 series laptop.

Written By: Michael

INTRODUCTION

Often after many uses, a laptops battery will no longer hold its charge. This is the time to replace it. In this laptop, the battery is easy to remove and replace.

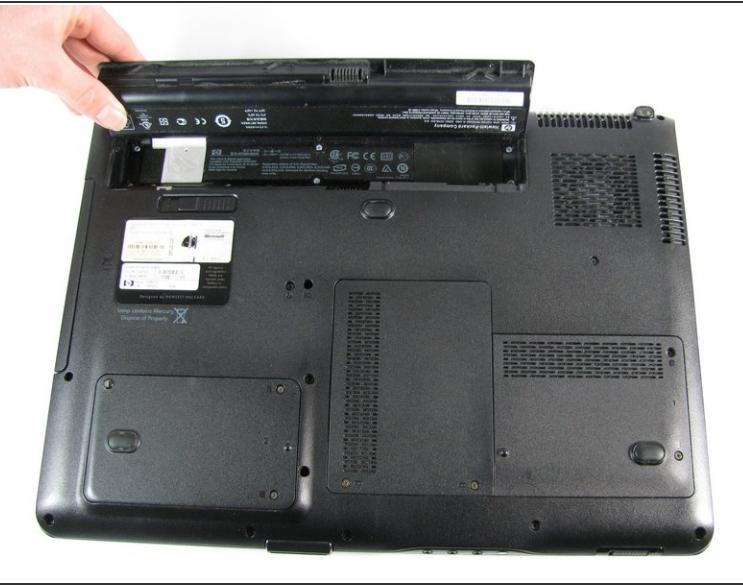

Step 1 — Battery

- Turn the laptop over to expose the bottom side.
- Locate the battery removal switch next to the battery compartment

⚠️ Important: Before doing any repairs on the laptop, make sure it is completely powered down and unplugged.

Step 2 — Battery Removal

- Slide the switch all the way to the left to release the battery. The battery should pop up.
- Lift the battery out.

To reassemble your device, follow these instructions in reverse order.
