INTRODUCTION

If your HP Pavilion g6-1d60us refuses to turn on or just doesn't show any sign of life, then it might need a new battery. Feel free to use this replacement guide for a new battery.

PARTS:

- [HP MU09XL Replacement Laptop Battery \(1\)](#)

Step 1 — Battery

- Push the switch to the left in order to unlock the battery from its socket.
- The battery will lift up from the socket.

Step 2

- Remove the battery from the computer.
- To replace the battery, gently apply pressure on top of it to make sure it locked into the socket.

To reassemble your device, follow these instructions in reverse order.
