# HP Pavilion ze5000 Battery Replacement

This guide will show how to replace the battery of a HP Pavilion ze5000.
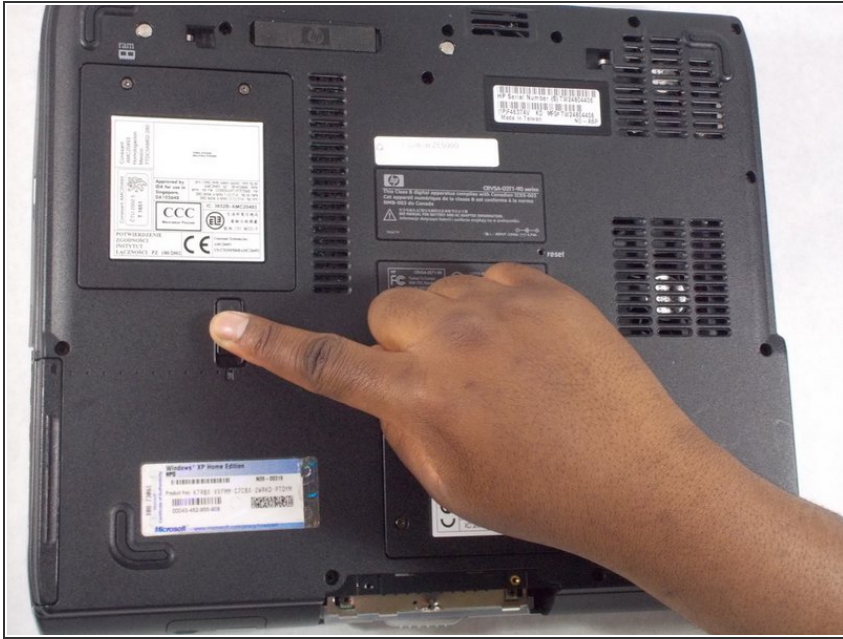

Written By: Gabrielle

INTRODUCTION

This guide is designed to replace the battery of the device: HP Pavilion ze5000. A replacement of a battery should occur if the laptop stops charging or is dead and will not respond to the device's charger. This guide can be used in case a device user wants to check the quality of the battery or replace the battery with a new battery installation. When completing this guide, ensure that the device is properly faced down with the back of the laptop facing the device user.

Step 1 — Battery

● Push up on the arrow-shaped switch.

Step 2

● While still holding the switch up, remove the battery.

No reassembly in required once the new battery is in.
