INTRODUCTION

If your phone wont turn on, even after you've charged it, or is having difficulties holding its charge, you may consider installing a new battery.

In this guide, you will learn how to install a new battery in your HTC Fortress. No tools are required to complete the steps in this guide.

Step 1 — Battery

- Remove the back cover of the device by sliding it upward.

(i) You may need to remove the phone stylus first.

Step 2

- Remove the battery by pulling it away from the back of the phone.

To reassemble your device, follow these instructions in reverse order.
