

HTC Rezound- Battery Replacement

This guide will instruct the device user step by step on removing the battery.

Written By: Evan Swartz

INTRODUCTION

This guide will show you how to replace the battery for the HTC Rezound!

TOOLS:

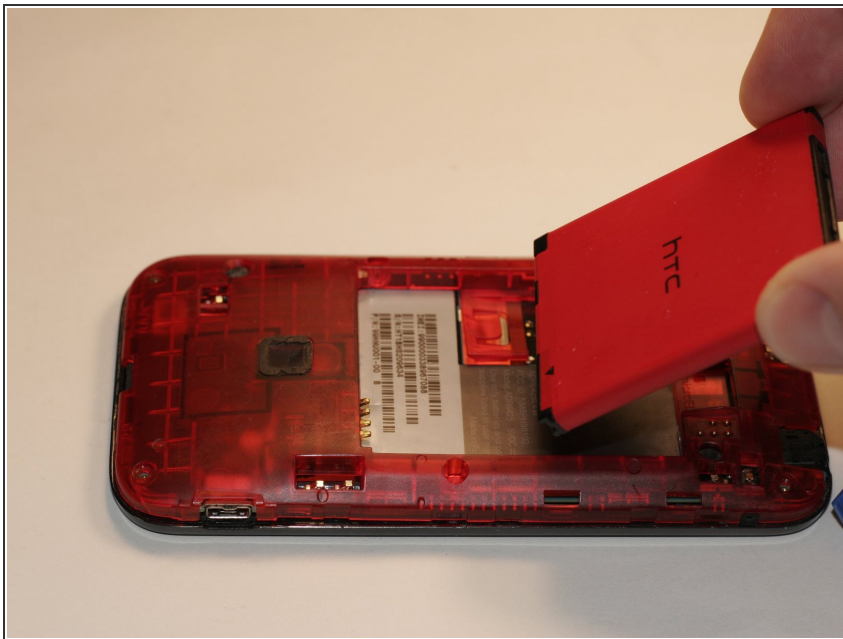

- [iFixit Opening Tools](#) (1)
-

Step 1 — Battery

- Use a plastic opening tool or your fingers to get into the groove between the cover and case. Remove the back covering so that the red battery is visible.

Step 2

- Remove the red battery to replace.

To reassemble your device, follow these instructions in reverse order.
