## Step 1 — How to remove Magnavox MWD200F cover

- Using a Philips screwdriver, remove the two screws on the top of the device, towards the back.

Step 2

- Remove the plastic cover by pulling up on the back and away from the faceplate.

Step 3

- Remove the faceplate by unclipping the latches on the bottom of the device.

- Once it's unlatched, pull the faceplate off.

To reassemble your device, follow these instructions in reverse order.
