

# How to replace Huawei P9 LCD Display?

Wanna fix your LCD Screen for Huawei P9? Wanna know how to repair and replace LCD display safely? Follow this guide and replace the LCD for your device.

Written By: Witrigs

A close-up photograph showing a person's hands working on the internal components of a Huawei P9 smartphone. The phone is held at an angle, and the person is using a pair of tweezers to manipulate a small, dark rectangular component, likely the LCD screen or its connector. The background is a solid blue color.
