

Inspiron 17 5758 Hard Drive Replacement

This guide teaches you how to replace the hard drive in an Inspiron 17-5758.

Written By: Joseph Sctbunio

INTRODUCTION

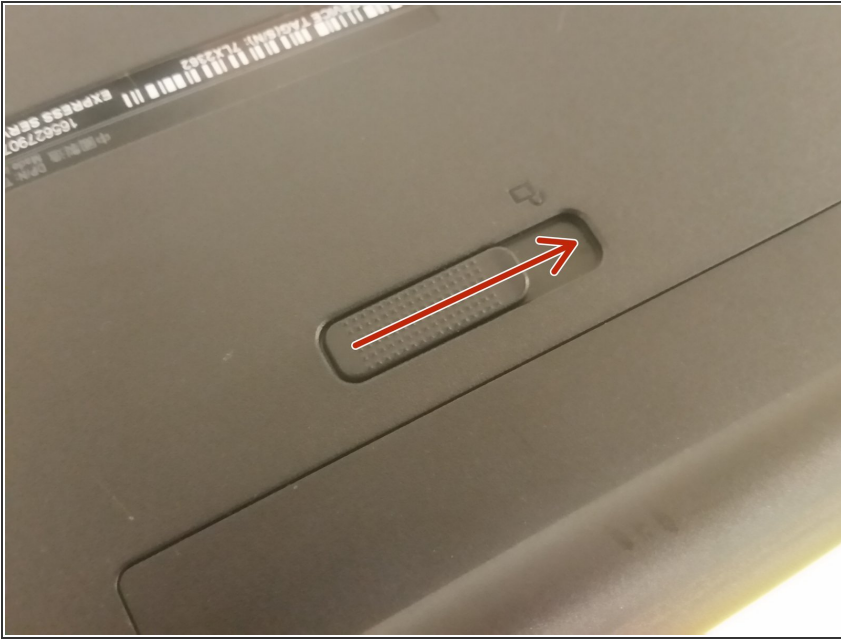

This guide teaches you how to replace the hard drive in an Inspiron 17-5758.

TOOLS:

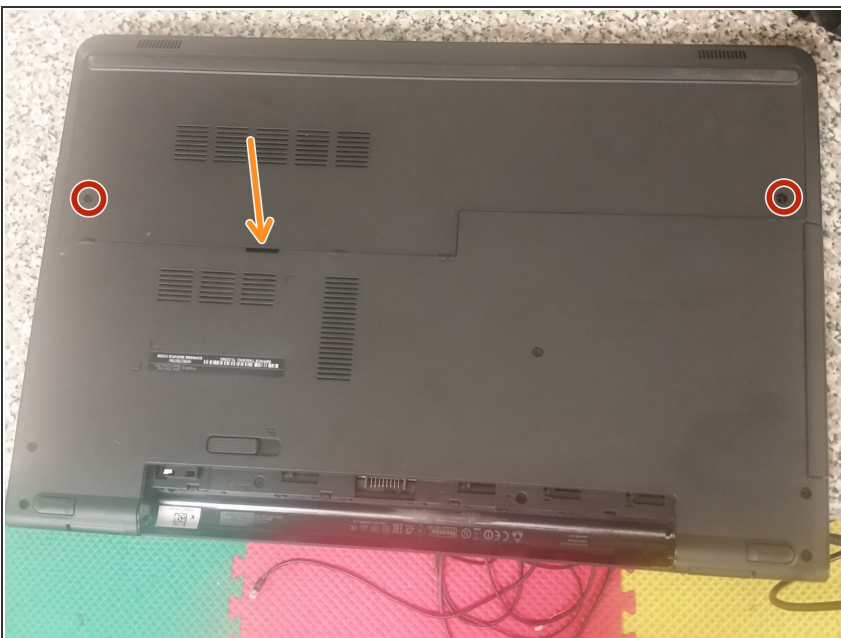

- [Phillips #0 Screwdriver](#) (1)
-

Step 1 — Remove battery

- Flip the laptop over, battery facing you. Move the latch to the right, and grab the battery as it comes up.

Step 2 — Remove hard drive cover

- Remove the two Philips screws securing the hard drive cover.
- Use a spudger in the provided hole to pry the cover upwards.

Step 3 — Remove hard drive caddy

- Remove the four Philips screws securing the hard drive caddy.

Step 4 — Remove hard drive

- Remove the four screws from the hard drive caddy, and take the SATA connector off. You're done!

To reassemble your device, follow these instructions in reverse order.
