LG LX150 Back Cover Replacement

Written By: Andrea

INTRODUCTION

To access anything inside the phone, you must remove the back cover.

This document was generated on 2019-10-09 07:42:50 PM (MST).

Step 1 — Back Cover

- First locate the button and the bottom of the cover where the arrow is. Press down on the button.

- While pushing down on the button, slide the cover up towards the hinge until the cover comes off.

- The battery will be visible after removing the back cover.

To reassemble your device, follow these instructions in reverse order.
