

LG Rumor Touch Speakers Replacement

The following step procedures will guide you through the replacement of the speakers.

Written By: Ivan Rojas

INTRODUCTION

Before proceeding make sure the necessary tools described in previous guide are within reach.

TOOLS:

- [Spudger \(1\)](#)
- [Phillips #1 Screwdriver \(1\)](#)

Step 1 — Battery

- Remove the phone's back cover by placing your thumb the above charging port, located at the bottom of the phone, and sliding the back cover upward.

Step 2

- Gently pry the battery out of the phone with the spudger.

Step 3 — Inner Shell

- Unscrew the 5 #1 5mm screws.

Step 4

- Lift the inner shell from the phone.

Step 5 — Speakers

- Detach the speaker by pulling with enough force away from the phone. The speaker is weakly glued.

To reassemble your device, follow these instructions in reverse order.
