

LG Stylo 2 Plus Rear Case Replacement

How to remove the rear case of your LG Stylo 2 Plus.

Written By: Tiffany Wheeler

INTRODUCTION

This guide will assist you in removal of the rear case for your LG Stylo 2 Plus.

TOOLS:

- [Spudger](#) (1)
-

Step 1 — Rear Case

- To remove the rear case of the phone, insert the spudger into the opening on the back of the case.
- With the spudger parallel to the frame of the phone, slide it along the edge, forcing the casing to pop off.

To reassemble your device, follow these instructions in reverse order.
