

# Lego Dimensions Starter Pack Top Cover Parts Replacement

Replace the top cover parts if they become cracked or damaged.

Written By: Alyssa Lach

## INTRODUCTION

The top cover, clear circular part, and L-shaped parts sit above the electronics. These parts will need to be removed in order to expose the electronics for replacement.

### TOOLS:

- Metal Spudger (1)

## Step 1 — Top Cover Parts

 Be careful not to crack the cover.

- Use the metal spudger to gently pry open the corners of the top cover.

## Step 2

 Be careful not to crack the top cover.

- Use the metal spudger to gently pry up the center of the top cover.

## Step 3

- Pull the top cover off.

## Step 4

- Lift up the circular illumination stand and remove it from the toy pad.

## Step 5

- Lift up the white L-shaped pieces and remove them from the toy pad.

To reassemble your device, follow these instructions in reverse order.
