INTRODUCTION

Use this guide to remove the bottom panel of the Lenovo Essential G555-0873, allowing you access to the rest of the hardware. The only tool you need for this step is the screwdriver listed below.

TOOLS:

- [Phillips #0 Screwdriver](#) (1)
-

Step 1 — Bottom Panel

- Unscrew the two 5.1 mm screws that secure the bottom cover.
- ⓘ Note that the screws will not come all the way out of the sockets.

Step 2

- Lift from the notch until the back panel comes up.

To reassemble your device, follow these instructions in reverse order.
