Lenovo G500S Touch Battery Replacement

Use this guide to replace the battery in your Lenovo G500s.

Written By: Christopher Foster

INTRODUCTION

If you find that your computer fails to hold a charge or isn't turning on, it may be time to replace the battery. This simple guide will show you the steps to remove the battery from the device.

This document was generated on 2020-04-05 02:56:04 PM (MST).

Step 1 — Battery

- ⓘ Make sure that your device is powered off and unplugged from the power source.

- Flip your device over so that the back is facing you.

- Using your fingers, push the tabs in opposite directions to eject the battery.

- Remove the battery from the device.

To reassemble your device, follow these instructions in reverse order.
