This guide will walk you through how to remove and replace the keys for your Lenovo Ideapad Yoga 2 11".

Written By: Andria Chen

INTRODUCTION

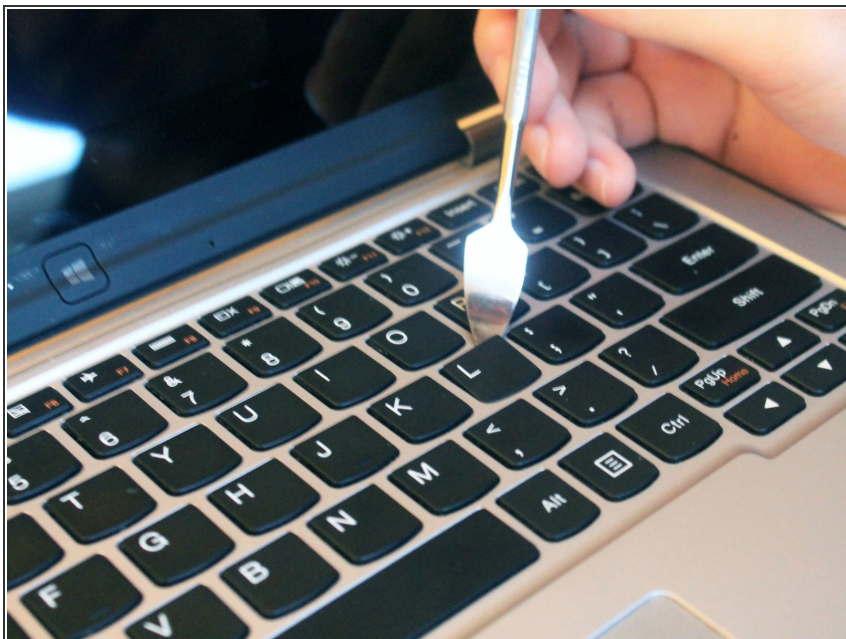

This guide will walk you through how to remove individual keys from the keyboard of your Lenovo Yoga 2 11" if they are stuck or may need replacement.

TOOLS:

- [Metal Spudger](#) (1)
-

Step 1 — Keys

- Using a spudger to gently pry up on the selected key until it pops out of its socket.

Step 2

- Then the key is out. It might take more force than you expected.

To reassemble your device, follow these instructions in reverse order.
