

# Lenovo ThinkPad X100e Battery Replacement

Use this guide to remove and replace the battery on the Lenovo ThinkPad X100e.

Written By: Jose Orlando Guerra

## INTRODUCTION

This guide is for removing the ThinkPad X100e's battery and replacing it with a new one.

## Step 1 — Battery

- Flip the computer upside down.
- ❗ The rectangle on the image shows the battery on this computer.

## Step 2

- Use your fingers to push both battery release tabs on the back of the computer.

### Step 3

- Push the battery out and place to the side.

To reassemble your device, follow these instructions in reverse order with the new battery.
