

# Lenovo Thinkpad Edge E545 Screen Replacement

This guide will show you how to replace the screen on a Lenovo ThinkPad Edge E545 laptop.

Written By: Maria Yepez

 **TOOLS:**

- **Phillips #0 Screwdriver** (1)
- **Spudger** (1)

## Step 1 — Battery

- First, flip the laptop over as shown in the photo.

**⚠** Make sure device is fully powered down before removing battery.

## Step 2

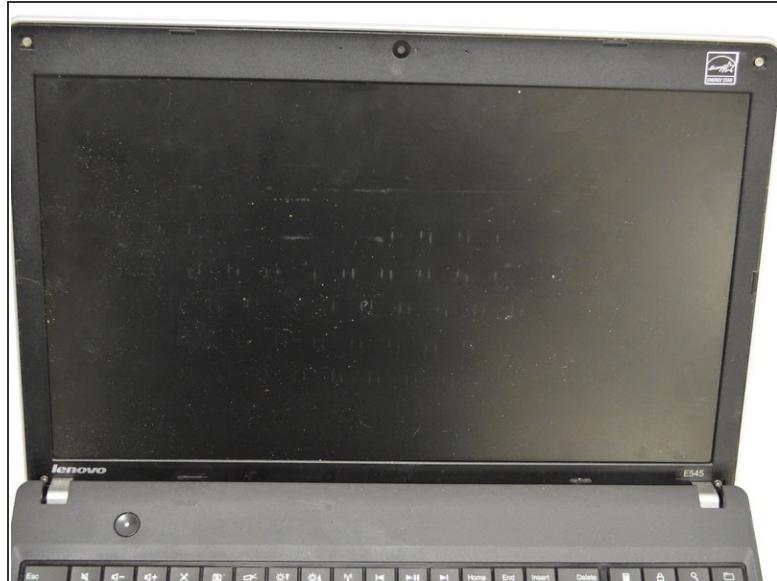

- Below the battery are two small tabs. These function as a lock for the battery.
- Push the tabs towards each other to release the battery.

## Step 3

- Remove the battery from the device.

## Step 4 — Screen

- Then, use the end of a spudger to remove the two screw covers from the top and bottom corners of the display.

## Step 5

- Slide your finger underneath the plastic and pry gently to release the clips around the display bezel.

## Step 6

- Lastly, peel up the adhesive tape to unbind the metal retaining bracket on the display cable.

To reassemble your device, follow these instructions in reverse order.
