

Master and Dynamic MW50 Disassembly

Here is a guide on how to disassemble the Master and Dynamic MW50+ wireless headphones.

Written By: Ryan Chan

 **TOOLS:**

- [Y1 Tri-point Screwdriver \(1\)](#)
- [Jimmy \(1\)](#)

Step 1 — Master and Dynamic MW50 Disassembly

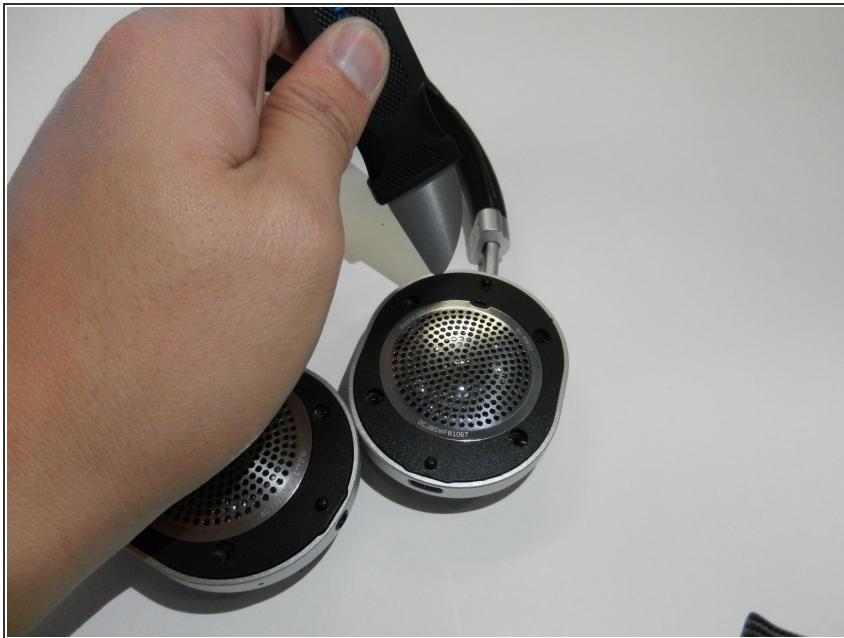

- Pull the cushion off of the desired side by gripping the top of the headphones and pulling the cushion off.

Step 2

- Remove the four 5mm screws from the earpiece with a Y1 Triwing screwdriver.

Step 3

- Use the Jimmy to lift up the black cover to get inside the device.

To reassemble your device, follow these instructions in reverse order.
