Mio ALPHA 2 Motherboard Replacement

This guide teaches the users of Mio ALPHA 2 on how to replace the motherboard.

Written By: Wong Jun Hua

INTRODUCTION

Before you start the replacement process, make sure that you have the proper repair tools, a Philips PH0 head and tweezers. You should be careful not to exert too much pressure/force on the components.

This guide will be able to walk you through the steps to replace your Mio ALPHA 2's motherboard.

TOOLS:

- Tweezers (1)
- JIS #00 Screwdriver (1)

PARTS:

- Mio ALPHA 2 motherboard (1)
