

Motorola Moto G4 Play Battery Replacement

Motorola Moto G4 Play Battery Replacement: Replace the battery in your Motorola Moto G4 Play if your phone won't turn on or if the battery is dying.

Written By: Paola Rossi

INTRODUCTION

Use this guide to:

- Replace or remove the battery
- As a starting point for any other repair/replacement needed on the phone, since it's hazardous to keep the battery in

If your battery is swollen, [take appropriate precautions](#).

TOOLS:

- iFixit Opening Tools (1)

PARTS:

- Moto G4 Play, E4, E5 Play Replacement Battery (1)

Step 1 — Battery

- Open case with a plastic opening tool that has the same size as the divot located at the bottom left of the phone. If you don't have an opening tool, use your finger nails.

Step 2

- Lift the case by the nearest corner to the divot and remove it from the phone.

Step 3

- Place the plastic opening tool into the notch located at the bottom of the battery compartment, and lift upwards. If you don't have an opening tool, use your finger nails.
- Remove battery from your phone.

To reassemble your device, follow these instructions in reverse order.
